What do you appreciate most about DMCS?

I appreciate the support that the DMCS family gives to those in it's community. Ever since I started teaching at DMC I've felt part of the family and I do my best to extend that feeling into my classroom and teams.

Fun Facts and Favorite Bible Verse

Besides coaching DMCS teams, I also spend my time following the Iowa State Cyclones and San Antonio Spurs. I also enjoy visiting friends and family around the Midwest.

My favorite verse is Matthew 5:16, "In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."
